THE WORLD'S LARGEST AND FASTEST GROWING VEGAN EXPERIENCE

vegandale

Vegandale is the world's largest and fastest growing vegan experience, uniting vegans and the vegan-curious through the shared vision of a world without animal exploitation.

Entering our ninth season, Vegandale is a mecca for the world's best in vegan food, drink, merchandise, art, games and entertainment.

WHY VEND AT VEGANDALE?

Our partnered sponsors interact and sell to our growing crowd of 150,000+ people across seven North American and two European cities. Together we create memento opportunities that help everyone relive the magic of the day long past gates closing.

OUR VENDOR POLL INDICATED PARTICIPATION LED TO:

- Increased brand awareness, visibility, and business name recognition
- On-site revenue
- Increased product sales post-event
- Networking with consumers and other businesses/investors

RFID FAQ

HOW DOES THE RFID CASHLESS PAYMENT SYSTEM WORK?

Attendees will pre-load credit onto their RFID wristband or load credit on-site at a dedicated top-up station. When they make a purchase, the RFID tag is scanned, and the transaction value is deducted from the wristband balance. Transactions are fast, reducing queues and improving attendee experience.

WHAT IS RFID TECHNOLOGY?

RFID stands for Radio Frequency Identification. It uses radio waves to capture data on an RFID tag, which is transmitted to a computer system. RFID tags can be embedded in various items, including wristbands and passes. We will be using wristbands with RFID chips for all Vegandale 2024 tour stops.

HOW DO ATTENDEES MAKE PURCHASES AT VENDOR LOCATIONS?

1. Attendees tap their wristband on the provided POS device.
2. They place their order, and a second tap confirms the purchase.
3. The amount is automatically deducted from their cashless balance.

CAN I USE MY OWN POS DEVICE INSTEAD?

No. Vendors will be provided with a unique POS device for scanning RFID wristbands for all customers. Vendors are prohibited from accepting any other form of payment on-site at Vegandale, including, but not limited to, cash, credit cards, debit cards, Apple Pay, or Google Pay.

RFID FAQ

HOW AND WHEN WILL VENDORS BE PAID?

Vendors will receive their payments 7-10 business days after the festival via wire transfer. Please note that payments are reduced by a 30% commission fee and 3.5% credit card processing fee.

DO COMMISSION RATES VARY BY VENDOR CATEGORY?

No. Going cashless means that we no longer have to charge any upfront fees for participating in our event (aside from a small security deposit to secure your spot). Therefore your commission rate will be determined by your sign-up date, rather than your vendor category (i.e. entree, dessert, drink, food, merchandise, or food truck/cart).

WHAT ARE THE COMMISSION FEE RATES FOR VENDORS?

The commission fee is 30% when you confirm your participation any time prior to each event sign-up deadline.

WHAT IS THE SECURITY DEPOSIT FOR PARTICIPATION?

The security deposit for **Philadelphia/Toronto/Dallas/Los Angeles/Miami** is \$400

The security deposit for **London** is £400

The security deposit for **Chicago/New York** is \$600
